

JW Clark Company Mission Statement:

To supply services to the Construction Industry, and to do it better than anybody else in the industry.
We are the Go-To Supplier in all of our fields. The Industry locally is better, because we are here - we help to define it.

Our company here will always be growing, always be improving. And we do it with our greatest asset – Our people.

Our people are:

- Here for our customers, always going that extra mile to please
- Here for each other, sympathetic to each other especially in times of need
- Light-hearted and down-to-Earth
- Positive-thinking, never without a solution to a problem
- Knowledgeable when it comes to the services we offer, good at what we do, always striving for excellence
- Keen to introduce ourselves to new potential customers, growing the company by 1 more customer at a time
- Here every day and always on time or early
- Hardworking, and not precious about tasks we are given, never mind our job title
